**As a Personal Care Attendant, you may have recently received a card from the Service Employees International Union (SEIU) urging you to join their union.**

***Protect Your Paycheck -  
DON'T SIGN THE CARD.***

Personal care attendants take care of our most vulnerable neighbors. *Thank you.*

We know you're not in it for the money. But you deserve to keep the money you earn – all of it – without the union picking your pocket.

SEIU wants to take up to \$780 from your pay in union dues to fund the six-figure salaries of the union bosses and to pay for their political activity. That's why they are so eager to make you members of the union.

***Say no to forced unionization for personal care attendants.***

**Don't Sign The Card.**

**Don't Let The Union Bosses Pick Your Pocket.**

# Don't be bullied by the union organizers.

**Don't Let The Union Bosses

**Say no to forced unionization of
